

American Red Cross FR300 PREPAREDNESS OPTIONS

SPECIFICATIONS

AM/FM Radio with NOAA, TV-VHF, Flashlight, Siren and Cell Phone Charger

When you need to stay informed in case of emergency, turn to the self-powered ARC FR300. Hear news updates on AM and FM stations, and get the latest weather forecast with NOAA weather radio. A built-in cell phone charger enables you to keep your phone on and stay in touch, while the white LED light helps you see your surroundings. The siren and flashing red LED light can alert rescuers to your location. You'll be prepared for any emergency, and there's an added benefit—Etón Corporation will contribute \$.65 of the sales price to support the American Red Cross.

Also available in:

RED
