

Mercury-Free Econostat

Honeywell

Meet all current and future mercury-free thermostat compliance needs with Honeywell's Mercury-Free Econostat. With a sleek, attractive appearance, and the same precision temperature control and reliable performance as the original Econostat, the Mercury-Free Econostat is the perfect electromechanical replacement choice for you and your customers.

Mercury-Free Econostat

THE ECONOMIC CHOICE FOR MEETING MERCURY-FREE REGULATIONS

Precise Temperature Control –

Same performance as the mercury-switching model.

Easy To Install –

Front-wired with the same footprint as the mercury-switching model.

Attractive Design –

Sleek, appealing look that pleases homeowners.

Adjustable Heat Anticipation –

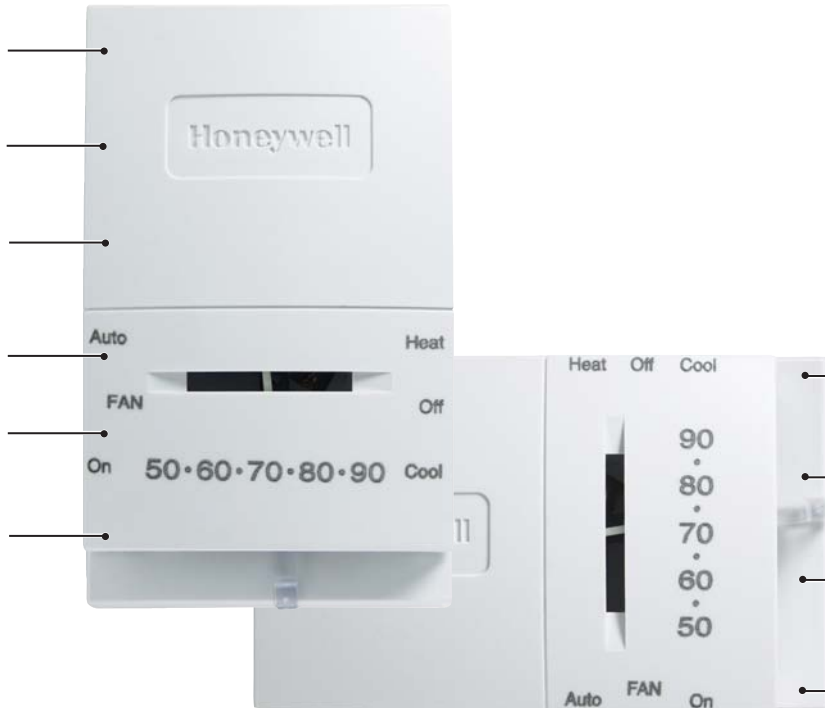

Dial in comfort based on your specific heating equipment.

#1 Choice of Homeowners –

Honeywell is the brand name that homeowners recognize most.

Competitively Priced –

Meet compliance requirements at a competitive, economic price.

Junction Box Mountable – Saves time during installation.

Versatile – Choose between a horizontal or vertical mount.

5-Year Warranty

Compliant – Meets mercury-free thermostat requirements.

Mercury-Free Econostat Bi-Metal Operated Thermostats
