

K-00146 Convenient Ice Bagger

Bag ice on premise to maximize your net profit. Ideal for all bagged-ice retailers including grocery stores, convenience stores, marinas, and campgrounds.

- Durable stainless steel construction withstands frequent use and resists corrosion.
- Large chute quickly handles high volumes of ice while minimizing spillage. Removable for easy cleaning.
- Portable bagger occupies minimal floor space and stores easily. Bagger measures 10.25" (26.03 cm) wide, 13.00" (33.02 cm) deep, 28.75" (73.02 cm) high*.
- Multi-position bracket permits the bagger to be placed in the most convenient position. Left and right positions accommodate right-handed and left-handed users. Bagger can also stand by itself on rubber bumpers that protect floor from scratching.
- Bagger is easy to install and slips quickly over frame of bin door opening.
- Twist-tie closure is easy and quickly seals bag tight.
- K-00146 assembly includes bagger, 250 twist ties, and 250 ice bags, each 11" (27.94 cm) x 18.5" (46.99 cm) with a maximum fill capacity to 8 lbs. (3.6 kgs.).
- K-00068 replacement bag kit includes 4 wickets of 250 bags each and 1,000 twist ties.

*Attachment to B-400 bin necessitates use of K-00144 (12.00" (30.48 cm) adjustable) bin legs.
