AIRWATCH

Honeywell Envira Elite™
 F300 Electronic Air Cleaner
Part of Honeywell's whole-house air quality system

- Bold, new consumer friendly looks with blue and white styling.
- Captures up to 99% of micron size 10 particles (larger of sized microns) that enter the unit.
- Captures up to 72% of micron size .3 particles (smallest of sized microns) that enter the unit.
- Helps filter efficiency-robbing "gunk" before it coats critical system parts.
- Very low pressure drop.
- Exclusive wireless AIRWATCH™ indicator reminds customers when to wash cells to keep the unit operating at peak efficiency, as well as when to change UV Bulbs & Humidifier pads. (optional)
- Exclusive 10-year Clean Coil Guarantee.

Honeywell Envira Elite™
 F200 Charged-Media Air Cleaner
Part of Honeywell's whole-house air quality system

- Bold, new consumer friendly looks with blue and white styling.
- Captures up to 98% of micron size 10 particles (larger of sized microns) that enter the unit.
- Captures up to 42% of micron size .3 particles (smallest of sized microns) that enter the unit.
- Initial Dust Spot Efficiency 61%.
- Filters last up to one year; replacements are readily available.
- Media filter slides out on twin tracks for easy replacement.
- FREE exclusive RF AIRWATCH™ indicator reminds customers to change filter when pressure exceeds 0.5 in wc.
- Cleans the air without putting a strain on your high efficiency equipment.
- Easily upgradeable to Honeywell Envira Elite™ F300 Electronic Air Cleaner
